RIN 0648-AJ51

Fisheries of the Exclusive Economic Zone Off Alaska; Scallop Fishery off Alaska; Amendment 3

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of availability of an amendment to a fishery management plan; request for comments.

SUMMARY: The North Pacific Fishery Management Council (Council) has submitted Amendment 3 to the Fishery Management Plan for the Scallop Fishery off Alaska for Secretarial review. Amendment 3 would delegate to the State of Alaska (State) the authority to manage all aspects of the scallop fishery, except limited access, and would repeal all Federal regulations governing the scallop fishery off Alaska, except for the scallop vessel moratorium program. This action is necessary to eliminate duplicate regulations and management programs for the scallop fishery at the State and Federal levels. Comments from the public are requested.

DATES: Comments on Amendment 3 must be submitted on or before June 1, 1998.

ADDRESSES: Comments on Amendment 3 should be submitted to Sue Salveson, Assistant Regional Administrator for Sustainable Fisheries, Alaska Region, NMFS, P.O. Box 21668, Juneau, AK 99802-1668, Attn: Lori Gravel, or delivered to the Federal Building, 709 West 9th. Street, Juneau, AK. Copies of Amendment 3 and the Environmental Assessment/Regulatory Impact Review prepared for the amendment are available from NMFS at the above address, or by calling the Alaska Region, NMFS, at 907-586-7228.

FOR FURTHER INFORMATION CONTACT: Kent Lind, 907-586-7228 or kent.lind@noaa.gov.

SUPPLEMENTARY INFORMATION: The Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) requires that each Regional Fishery Management Council submit any fishery management plan (FMP) or plan amendment it prepares to NMFS for review and approval, disapproval, or partial approval. The Magnuson-Stevens Act also requires that NMFS, upon receiving an FMP or amendment, immediately publish a document announcing that the FMP or amendment is available for public review and comment. NMFS will consider the public comments received during the comment period in determining whether to approve the FMP or amendment. Public comments on the proposed rule must be received by the end of the comment period on the FMP/amendment to be considered in the 'approval/disapproval decision on the FMP/amendment.

NMFS will consider the public comments received during the comment

period in determining whether to approve Amendment 3. A proposed rule to implement Amendment 3 is scheduled to be published within 15 days of this document.

Bruce C. Morehead,
Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
