Federal Railroad Administration

49 CFR Part 214

[FRA Docket No. RSOR 13, Notice No. 4]
RIN 2130–AA86

Roadway Worker Protection

AGENCY: Federal Railroad Administration (FRA); DOT.

ACTION: Schedule of Additional Advisory Committee Meetings.

SUMMARY: The Federal Railroad Administration is announcing an additional meeting of the Advisory Committee on Regulatory negotiation (concerning the protection of railroad employees who work on or adjacent to track and face the risk of injury from moving trains and equipment).

DATES: The Advisory Committee (Committee) will hold an additional meeting on the following dates:

ADDRESSES: The meeting will be held in the 6th floor Conference room at the headquarters of the Association of American Railroads (AAR). The AAR's headquarters is located at 500 F Street N.W., Washington, D.C. 20001.

FOR FURTHER INFORMATION CONTACT: Cynthia B. Walters, Trial Attorney, Office of Chief Counsel, FRA 400 7th Street, NW., Washington, D.C. 20001.

SUPPLEMENTARY INFORMATION: On August 17, 1994 FRA published a notice of intent to establish an Advisory Committee (59 FR 42200). FRA also published a notice establishing this Committee on January 5, 1995 (60 FR 1761), as well as publishing a notice of scheduled meetings on February 15, 1995 (60 FR 8619). Consistent with these notices, the continued objective of this Committee is to produce a report, including a draft notice of proposed rulemaking (NPRM) recommending a course of action for FRA to follow that will prevent roadway worker injuries and fatalities.

The committee members, facilitators, and FRA determined that an additional meeting was needed to resolve pending issues. With this in mind, FRA continues to believe that public participation is critical to the success of this process. This negotiation session will also be open to the public, in accordance with the Federal Advisory Committee Act (Pub. L. 92–463).

Issued this 2nd day of May, 1995.

S. Mark Lindsey,
Chief Counsel, Federal Railroad Administration.
