1. In Chapter 2.0, section entitled "History and Summary of Amendments," add the following:

Amendment 41 implemented on , 1996

(1) Revised the C. bairdi Tanner crab prohibited species catch limit in Zones 1 and 2.

2. In Section 14.4.2.2 entitled "Prohibited Species Catch Limits" paragraph C is amended as follow:

C. The PSC limit(s) for C. bairdi Tanner crab is established by regulation based on abundance of C. bairdi crab as indicated by the NMFS bottom trawl survey.
